Community Safety

We have been made aware that a resident's cat was killed by an out of control dog in another part of the ward. If we may take the opportunity to remind dog owners that their pet should be under their close control or on a lead at all times. If you cannot rely on your dog's recall, then please keep them on a lead.

Community Climate Change Fund

Round Three is now open for applications. As a reminder, the fund will provide opportunities for the following groups to apply for grant funding:

- Town and parish councils
- Properly constituted community and charity groups
- Sports clubs

There is no deadline for applications and they will be assessed on a quarterly basis, meaning applicants will have to wait a minimum of three months to be informed as to whether they have been successful or not. More information and the online application is available on SDC's website. Please email climate.emergency@stratford-dc.gov.uk with any queries.
